Each person who want to read the official file of the ICCLawcaseNL; against former USA-President BarackObama & President DonaldTrump, can apply for a copy of this file with UNSG AntonioGuterres & ICC.

Who am I?

Historical legal framework

On 1 May 2007, I – Désirée Elisabeth Stokkel – started an International Criminal Court lawcase against the Netherlands. Only possible, due to the legal fact that the NL-Supremecourt throws away casefiles on request of the NL-members of parliament & King. The Judiciary in Holland makes people disappear by denying them access to a court of law. Conflicts in the bureaucracy are being kept alive on High-level politics as cover for Organizing Murder / Massmurder on Citizens, in NL and Worldwide from NL.

Being a Dutch woman – born in Amsterdam in 1965 – am I forced to fight for my life and the lives of my children. Being Lawless in Holland means that our small and extremely heavy Monopolist Bureaucracy is full of Civilservants who try to murder me ... and other fellow Citizens... These government officials very often succeed in this evil design for demolition. The killed bodies disappear in the statistics of the Central Statistics Bureau under 'natural death or suicide'.

In 2008, the former UNSG Bankimoon proved to me in a letter 'that he does not want the ICC to operate legally correct, as a fair Criminal court of law is suppose to do'. Since then, ICC grew into the highest racial & corrupt Criminal-court of law, present on Planet Earth and located in The Hague Holland.

ICC-personnel organize Murder on Victims who start ICClawcases ... and on all other civilians the Presidents of UN-memberstates want to get rid off. ICC is the Best Contemporary Concentrationcamp available for Massmurder without punishment for the perpetrator.

So, I – Désirée Elisabeth Stokkel – with my European knowledge about Laws & Treaties started to defend myself inside the Murderclub called: International Criminal Court.

One of my moves was to ask USA-President Barack Obama & Hillary Clinton to help me turn ICC into a fair Criminal-court for All of Us. They refused; this was an extremely low-intelligent move on their behalf. They both own the legal obligation to conduct the UN charter – Torture treaty – Humanright treaties... Because they failed to exercise their International Law legal duties, I started an ICClawcase against USA-President Barack Obama & USA-Hillary Clinton, on 15 July 2011.

<http://www.desireestokkel-nl.net/uploads/5/6/2/4/56243847/obama.medvedev.bashir.socrates.icc.fbi.15juli2011.pdf>

My Social Intelligent move for my self-defence resulted in the fact that the African Union started to call ICC a racial court-system that only starts ICC-procedures against 'black Dictators from Africa'.

UNSG Antonio Guterres came into power in 2017. I wrote him in 2016, about the fact that The Kingdom the Netherlands is an official Dictatorship per 2 June 2014. In Holland it's the King who signs all Laws & Treaties we Dutch nationals & visitors on our NL-territory must obey, according to the Constitution for the Kingdom the Netherlands.

King Willem-Alexander has proven to me – just like his mother Queen Beatrix did in april2007 – that he refuses to conduct the Constitution for the Kingdom the Netherlands.

King WA is legally obliged to guarantee a life in the State of law The Netherlands, in line with the Kingdom Constitution.

When the NL-parliament & judiciary prove to be a Dictator- murder-club who commands Judges of the Supremecourt to throw away courtcase-files ... with the aim to make Individuals & Groups lawless – and with the aim to mobbed the victims to death in the bureaucracy - ... the King has 1 HEAVY legal obligation, according to the Constitution Kingdom NL = to shovel the UNcharter – Torture treaty – Humanrights treaties into the 100% corrupt NL-parliament & Judiciary... with the aim 'to rescue the lives of the People of the Kingdom the Netherlands and every other single humanbeing who is in a relationship with Holland; to guarantee a life in a State of Law.'

King WA failed to do so. On 2june2014, I started an ICclawcaseNL against King WA + Queen Maxima + MrPietervanVollenhoven... for building DictatorshipNL + trying to kill me and other humanbeings +succeeding in murder + starting wars, internationally.

<http://www.desireestokkel-nl.net/uploads/5/6/2/4/56243847/icc.koningshuis.oranje.eo.blauwbloed.nos.dnb.hijos.rchtspraak.advocat.enorde.2juni2014.pdf>

This letter + the New Constitution Republic Netherlands was given to all Embassies on Planet Earth. The ICC-Embassy-lobby works with the new Constitution RepublicNL from 2june2014 on.

But, I – DésiréeElisabethStokkel – had to wait for a new UNSG to take over the UNSG-office from former UNSG Bankimoon.

<https://www.republiek-nederland-18nov2016.com/uploads/5/6/2/4/56243847embassy.icc.labourcontract.primeminister.republicnl.constitutio.n.kremlin.unsg.japan.myanmar.trump.2016.pdf>

With UNSG AntonioGuterres I claimed the Labourcontract InterimPrimeMinister for The Netherlands on 18nov2016. Since this date, Holland is officially a Republic, with a criminal paralyzed King... and a 100% corrupt bureaucracy = parliament - judiciary - province - municipal - more...

From 18nov2016 on, I have put into power by decree more new RepublicNL-laws.

UNSG AntonioGuterres refuses to live up to his legal obligations; he refuses to stop the growth of DictatorshipNL = he misused the gap in between DictatorshipNL & RepublicNL for organizing his private corruption & freedom to murder; in coöperation with King Willem-Alexander + Queen Maxima + Persons against whom the ICclawcaseNL is started + the InternationalCriminalCourt-personnel itself.

UN-memberstates understand in each nano-second

'that I – Désirée Elisabeth Stokkel – am the most powerful woman on Planet Earth, who can put any Law & Treaty into power by decree... now UNSG proves to be a warcriminal who misuses the International Criminal Court as a weapon & cover for his private corruption & killings'.

UN-memberstates have made it possible for me to take over power in other UN-memberstates.

I am Interim Prime Minister for the United States of America per 25 September 2017.

I have taken over the UNSG labour contract from UNSG Antonio Guterres on 1 January 2018.

Back to USA President DonaldTrump

<http://www.desireestokkel-nl.net/uploads/5/6/2/4/56243847/icc.lawcase.against.unsg.antonioGuterres.donaldtrump.donaldtusk.2june2017.pdf>
